

JOB OPENING NOTICE

OREGON TRAIL ELECTRIC COOPERATIVE

GIS Analyst/Staking Technician

Oregon Trail Electric Cooperative (OTEC), has an immediate opening for a GIS Analyst/Staking Technician to be stationed at its headquarters in Baker City, Oregon.

This salaried non-exempt position is responsible for the design, layout and calculation of the estimated cost of work orders; and provides support to the Operations and Engineering Department in maintaining OTEC's mapping and GIS system. These systems are the basis for the design of an efficient and cost effective electrical distribution system. A detailed list of job duties and responsibilities is included in the job description posted on OTEC's web page shown below.

Applicants must have the following education/experience to be considered:

- High school diploma or equivalent
- Four years of professional work experience including automated mapping, database analysis or design, programming, testing, project management, Arc Server and Arc SDE administration, GeoMetric networks and implementing GIS software applications. Experience may be substituted with a Bachelor of Science Degree in GIS (Geographical Information Systems), Electrical Engineering, Computer Science or other related discipline.
- Advanced expertise with ESRI's ArcGIS software suite - versions 10.1 and later.
- Must possess and maintain a valid Oregon driver's license.

Preference may be given to applicants who have the following:

- A GIS degree or certificate.
- Experience providing documentation for both geo-processing history and attribute definition. Experience with Microsoft Office, Visual basic or Python programming languages, Access and SQL databases.

OTEC has 80 employees and four district offices serving over 30,000 consumers located in eastern Oregon. Surrounded by national forest lands, our service area is known for its excellent hunting, fishing, skiing, and other outdoor recreational activities. OTEC offers a competitive pay and benefits package.

Please email your application with resume to HRTeam@otecc.com, or mail to the attention of Human Resources, PO Box 226, Baker City, OR 97814. The OTEC employment application is available at <https://www.otecc.com/careers> or by request at any local OTEC or WorkSource Oregon office. This position is open until filled and the selection process may begin as soon as April 30, 2018.
